THE HON'BLE SRI JUSTICE V.V.S. RAO

WRIT PETITION No.24701 of 2006

ORDER:

The petitioners were assigned house site pattas on 13-04-1999 in respect of the land admeasuring 60 sq. yards in survey No.65 situated at Bandlaguda Village, Rajendranagar Mandal in Ranga Reddy District. They allege that they constructed tin shed room in 1999 itself, however, as there was threat from antisocial elements, they left the constructed structure and did not reside in the same, though often goes for inspecting the land and house. On 10-11-2006, when the petitioners allegedly went to the site, they found the officials of the respondents levelling the land with a view to assign the same as house site pattas to third parties. Apprehending adverse action against the assignment made in favour of the petitioners made in 1999, they filed instant writ petition seeking, *inter alia,* a direction to the respondents not to deprive them of their house site.

A reading of the writ affidavit would disclose that the entire situation is still in an amorphous condition. The petitioners apprehend that they might be deprived of their house site. The basis for such apprehension is not clear from the affidavit. They have enclosed xerox copies of the pattas dated 13-04-1999 issued by the Revenue Divisional Officer(RDO). Therefore, if they have any grievance, they shall approach RDO with proper representation. It is needless to mention that if the assignment made in favour of the petitioners is true as alleged, unless the assignment is cancelled, the respondents cannot deprive them of their house site.

The writ petition, with the above observations, is accordingly dismissed. No costs.
